This document\* has been prepared by

Sunder Kidambi

with the blessings of

His Holiness śrīmad āṇḍavan of śrīraṅgam

\*This was typeset using skt, \LaTeX, Itrans, and the Baraha font.
Attention: Please note that the letters வு and ஥ denote ப and ப respectively, in Tamil. Also note that வு sounds almost like வி, து like தி, and so on. The consonant-cluster வு is pronounced somewhere between வி and தி. It is, however, colloquially acceptable to pronounce the clusters வு and வு as வி and தி respectively.
