23 To regain a position or status lost ......................................................... 30
24 To be pardoned for one’s wrong-doings ............................................. 31
25 To develop patience and achieve greatness ........................................ 32
26 To get married soon ................................................................. 33
27 To get the joy of mukti (liberation) ............................................... 34
28 For the mind to become pure .................................................. 35
29 For the job undertaken to succeed without any obstacles in its course ........ 36
30 To be freed from the fear of death ............................................ 37
31 For harmonious reunion of estranged couple .................................. 38
32 For prosperity and well-being to flourish and spread everywhere ............ 39
After performing *snāna* and other *anuṣṭhānas* of the morning such as *sandhyāvandana*,

1. First you have to choose the specific *pādukāsahasra śloka* appropriate to the benefit you are seeking.

2. Then you should do *prāṇāyāma* and center your mind on the *japa* procedure.

3. Then you must recite the *saṅkalpa* (intention) prescribed in the relevant page.

4. Then you should recite the *śloka*

   \[
   \begin{align*}
   \text{कृष्ण} & = \text{वृक्षेण सुप्रसनम्} \quad \text{चेश्वरी तस्वीरे} \\
   \text{मे} & = \text{परमेश्वरे} \quad \text{मा} \quad \text{ददेऽ} \quad \text{समाने}
   \end{align*}
   \]

   and meditate gratefully for a while on the gracious author of *śrī pādukāsahasram*, *śrīnigamānta mahādeśikan*.

5. Then, you have to perform silent *japa* of the *śloka* given in that page either 1008 or at least 108 times without making any mistake.

6. During the japa, you must keep your mind entirely on the *divyamaṇi pādukās* of *śrī raṅganātha*, not allowing it to wander anywhere.

7. If this *japa* is carried on in this manner for a *maṇḍala* (40 or 48 days), you are sure to realize your desire. Even if you feel you have not so realized, you must continue the *japa* daily for as long as it takes for the realization, in proper manner, without feeling discouraged, doubtful or frustrated. When the *japa* is over, you have to give it a proper conclusion with the *śloka*.
